The High school made final arrangements by wire yesterday for a game with the Butte high school, and will hold the same at Walker's on the coming Saturday. The Butte high school holds the Championship for the northern country and are coming down here with the intention of defeating the locals. They will leave Butte on Friday afternoon at 4 o'clock, and arrive in the city at 9 o'clock the next morning. In regard to the game being held at Walker's, Manager McFadden states that he has had this event under consideration for the past two weeks, but could not announce it to the public before as all the necessary arrangements had not been made.

We, your committee on finance, beg leave to submit to you for your consideration the following report upon the financial affairs of the city. In drawing up the statement attached, we have endeavored to bring forth every detail of receipts and disbursements, as there has been a direct charge of extravagance and waste of money made against this administration.

In our statement we have deducted the amount of pay rolls and outstanding claims created by the last administration, and paid by this one, as we do not believe that we should be held responsible for the wild extravagance that held sway during the closing hours of the last administration.

Three weeks ago the city council ordered the finance committee to make a report of the financial condition of the city at the next session of the council, two weeks ago. Last night a report was submitted by Mr. Robertson of the committee, signed by the majority, and filed with the clerk. It is a long, badly mixed up document, in which one paragraph constantly declares war on another. The document is printed in full herewith:
